

Rebuilding District "E" Together

Councilmember Cynthia

Willard -Lewis

Dear residents,

Today, Councilmember Willard-Lewis met with Mr. Earnest Burton, the applicant for Zoning Docket 096-07.

Mr. Burton has withdrawn his application which requested for a zoning change from RD-2 to LI Light Industrial to permit a trailer park at 9901 Chef Menteur Hwy. At this time, the request is no longer being reviewed by the City. However, the matter can be reinstated at any time as the applicant's request. Reinstatement would require Mr. Burton to re-apply and start the process from the beginning.

In addition, Zoning Docket ZD118-07 – proposal by Prestige Realty of Louisiana to build a multi family residential at 60021 I-10 Service Road, this item is being deferred at the request of the applicant.

Sincerely,

Cynthia
