Executive Members Absent: Scineaux-Richard, C. Charbonnet, and K. Johnson.

Acknowledgment of special guests and public officials made.

Stephen Daly of Community Mapping Project gave an update on a project he has been working on which is part of City Works. Project consisted of individual subdivisions completing a survey of neighborhood information. He explained objective and if any neighborhood that had not participated would still be able to. This information will assist the City with information about the neighborhoods in Eastern New Orleans. The previous mapping project, New Orleans East was under represented so this map is very important.

C. Willard-Lewis, Ed Washington, M. Darnell and J. Lafonta were recognized and each gave overview of individual works regarding Eastern New Orleans and desire to represent this community for the District 2 State Senate upcoming election.

Barbara Johnson of Fast Forward Main Street gave an overview of a new resource part of national network, specialize community that has affected from disaster. So far it has helped 30 businesses to increase by coaching and assisting with companies, have 5 more slots available, online assessment, goals, milestones, working with a professional business coach. Those 30 companies will be working with your peers. This workshop will help work with business, civic and religious organization in a advisory group.
