7300 Crowder Blvd, New Orleans, La 70126**

Important Meeting on Sun Energy seeking permit to process 2,500 ton of Municipal Waste from outside areas. Proposed site sits in the middle of New Orleans East, Gentilly and 9th ward neighborhoods.

Get involved in this very important issue

ENONAC: Eastern New Orleans Neighborhood Advisory Commission

Mission: To empower the residents and the businesses of the Eastern New Orleans community, along with local and state government, to provide input, to define and to enforce standards to maintain and quality of life. To address infrastructure concerns to promote economic and housing development that will ensure protection and service to all constituents in the continual maintenance, enhancement and enjoyment of our neighborhoods.

Purpose: Established for the primary objective of advising , and providing and opportunity for citizens input on matters of concern affecting the quality of life in Eastern New Orleans, and to assure compliance relative to appropriate governmental policy and procedure.

Presentation by Sun Energy Group

ZONING DOCKET 60-09 - Request by **THE BOARD OF COMMISSIONERS OF THE PORT OF NEW ORLEANS** for a **Conditional Use** to permit a **plasma gasification waste-to-energy facility** in an HI Heavy Industrial District, on the proposed Lot 1-A of Section 39, T12S-R12E, in the Third Municipal District, bounded by Jourdan Road, Almonaster Avenue and the Inner Harbor Navigation Canal. The municipal address is 3900 JOURDAN ROAD. (ZBM F-12)
